

**CONFORMANCE CERTIFICATE  
 FOR TYPE TESTING OF RISIN STEM VALVES EQUIPED WITH GRAPHITE  
 PACKING FOR FUGITIVE EMISSIONS**

To: \_\_\_\_\_

This certificate is issued to attesting the fugitive emission test of selected valves have been witnessed and the test result is verified.

Certificate No.: FPT-A SH-Year- Series No

Valve Manufacturer: \_\_\_\_\_

Manufacturer location: \_\_\_\_\_

Type of Test: Fugitive Emission Test

Test Standard: API 624 First Edition, Feb.2014

Description of Valves: \_\_\_\_\_

Size of Valve: \_\_\_\_\_

Pressure Rating: \_\_\_\_\_

Type of Stem: \_\_\_\_\_

Body/Bonnet Materials: \_\_\_\_\_

Packing Materials: \_\_\_\_\_

Gasket Materials: \_\_\_\_\_

**DATA OF TESTED VALVE**

|                                 |  |                        |  |

We attend on \_\_\_\_\_ in order to witness valve for below test:

FUGITIVE EMISSION TEST according to API 624 First Edition, February. 2014

The valves mentioned above were tested in accordance with above specification, both the test process and test method as described in the test report were found in conformance with the requirement of specifications mentioned above.

The valve mentioned above passed the Fugitive with satisfactory result. For details of test, please refer to attached inspection report No.: \_\_\_\_\_ and lab test report No.:

- Attached Document
- Inspection report No.:
  - Lab test report No.:

Important: This certificate is not valid without attached documents which contain the details of test process and test data.
